

# ScholarChip® One-Click Access

ScholarChip, the largest provider of smart One-Card systems for K12 in America, and PowerSchool Group LLC, one of the world's leading learning companies, have joined forces through the independent software vendor partnership agreement to bring ScholarChip's applications to PowerSchool's dashboard using one-click access.

"Our partnership creates an incredible convenience to schools, counties, and states that use PowerSchool," said Maged Atiya, PhD, ScholarChip CEO/CTO. "And it is a natural progression in ScholarChip's evolution as the K-12 standard for integrated school safety and operations systems."

## Features & Benefits:

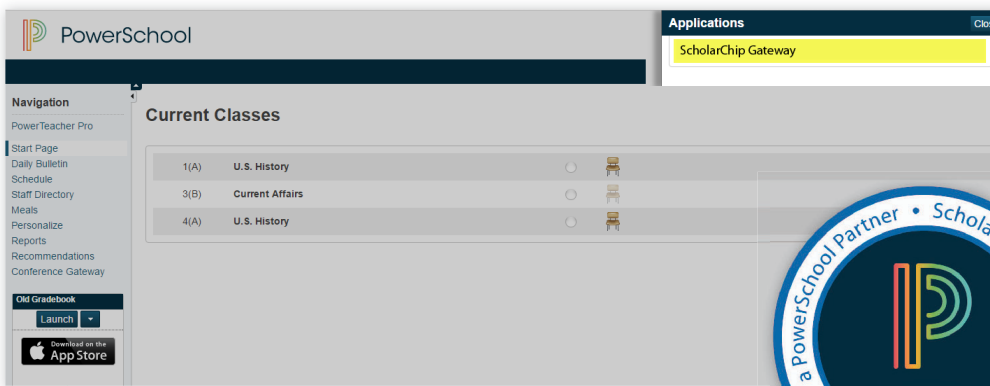

The ScholarChip plug-in is available free of charge for PowerSchool version 8.7 or later

For more information on PowerSchool's ISV program, visit [www.powerschool.com/powerschool-partner-program](http://www.powerschool.com/powerschool-partner-program)

## Correlating Services:

ID Manager (Issuing the SC-OneCard)

SC-OneCard™ operates seamlessly with popular Student Information Systems and NFC mobile devices. ScholarChip's Higher Education services include Tuition Payment Plans, Loan Servicing, Student Retention Services, and a compliant Payment Gateway

Log on to ScholarChip with One-Click Access from the PowerSchool dashboard

"This partnership is a perfect fit for our customer base," said Karin Holtz, VP of Alliances and Business Development at PowerSchool.

"Collaborating to create a seamless integration for schools and districts to manage school safety and operations processes will improve staff efficiency, allowing educators to spend more time in the classroom and less time on administrative tasks. ScholarChip's solutions complements our strategic focus on providing an easy-to-use, engaging, and comprehensive solution for all K-12 school and district needs inside and outside of the classroom."
