

## The One Card Student & Staff ID

### How to Get Started:

Learn how schools are using the One Card. Send us a quick email requesting a One Card Case Study. [info@scholarchip.com](mailto:info@scholarchip.com)

Now you're ready to automate attendance at the school entrance, in the classroom and on the bus. Plus, use the One Card for cafeteria purchases. The dual-factor card permits secure door access to qualified staff and students.
